

WELCOME TO DANCE

2024 / 2025

Judy Russell, Owner/Artistic Director
Enchainement Dance Centre Est.1982

Can it be true? Is it really the start of another amazing season at Enchainement?

The answer is yes!

A little history! My mom, Bunny Murray and I started the studio in her wee basement in 1979! It grew and grew and by 1984 I incorporated and the corporate entity Enchainement Productions Inc., was born. So technically the Dance Studio is 45 years old. Legally 40 years old! How can that be ***I'm only 39!

Just because something has been around and established for a long time doesn't mean it has an old fashioned point of view. On the contrary this business has grown in its outlook, capabilities and philosophy immeasurably over the years. I am so proud that many incredibly gifted staff members have stayed for many years and inspiring new staff are excited to jump on board and share their enthusiasm and passion with us all.

We hope you have had an excellent summer break and are feeling ready to take on the new year with energy and enthusiasm.

If you are new to the studio, a big hug and welcome to you all! The key to success is to ask questions and communicate strongly with us to make sure we are able to make your first experiences at Enchainement great!!
